

Birch Class

We looked at symmetry.

The children had a task to make a symmetrical picture using items from nature.

The children were asked to follow a recipe and to prepare food hygienically.

Science Experiment.

The children were asked to look at how water is transported through plants.

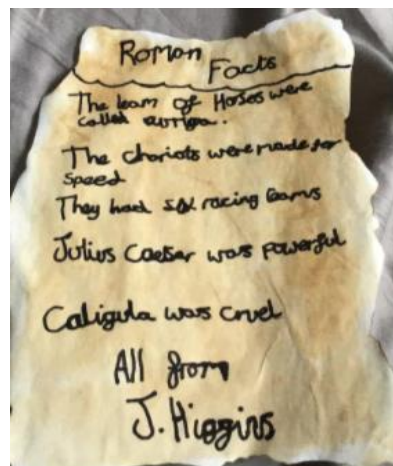

A poster to explain our new Artist of the Term – Joan Miro

We started a new book called 'Romans on the Rampage'. The children we asked to design and make their own chariots.

Roman Facts

Maths

The children looked at right angles.

Lovely handwriting to summarise Chapter 3 of our class book.
